

Retain and support your seasonal staff on and off season!

In this challenging economy, hiring and retaining a seasonal workforce is a challenge for all employers. Workforce Solutions can support your business and your employees with services to help build long-term retention and career pathways.

- Upskill your seasonal workforce into positions of increasing, year-round value through off-season occupational training or on-the-job training
- Retain your seasonal workforce by matching them with complimentary seasonal work (including business training courses for self-employment)
- Support your seasonal workforce by connecting them with career services and training opportunities when they need to find their next step

Call, text or email us now to get you and your staff connected!
