

Free Financial Assistance with Dental Costs!

Is your dental health impacting your ability to find and retain employment?
Contact Workforce Solutions today to learn about ways we can help.

If you are:

- Long-term unemployed (26+ weeks with no employment) or recently laid off from employment, and
- Impacted directly or indirectly by the Opioid crisis
- Actively pursuing employment and training goals

You may be eligible for a workforce program that can make direct payments for dental health needs.

Other services you will receive include career counseling, life navigation, job placement assistance, and support with training or other supportive service needs costs. Dental health financial assistance is first come, first serve and can not be provided at any point beyond December 31, 2022.
